

ADVANCED COMPUTER SERVICES LTD.

9-11, LONDON ROAD, MAIDSTONE, KENT/TELEPHONE: (0422) 828811/STOCKS

A.C.S. is a leading company in the Computer Services Industry. We purchased our first I.C.L. Mainframe Computer in 1968 and since then have provided full business facilities to many large, medium and small companies.

The experience and knowledge built up over many years enables our assistants to make efforts to improve efficiency and solve problems with the aid of Computers. In recent years A.C.S. has broadened its product range to cover the supply of small business systems. Our expertise can be of immense value when you

are trying to identify the right micro/minicomputer for your business. A.C.S. also provides full practical, technical and after sales support for all its services which is particularly essential for first time users. We also support the government Information Technology campaign as members of the Small Companies.
